MIA CUCINA
- my kitchen, envelopes
you with the aroma of Italy -
the subtle yet heady infusion of
herbs, the unbeatable combination
of sauces with vegetables or meats,
the exotic wines ... cooked in
a healthy way - grilled, baked,
roasted... freshly prepared with
the warmth of home and the
intrigue of a gourmet meal -
savour your first morsel and you
are on a viaggio - a tour -
of the boot-shaped mediteranean
country.
